Dear Recipient,

**British Pharmacopoeia Chemical Reference Substances (BPCRS) nanomaterial statement .**

We hereby confirm that, to the best of our knowledge and belief, the products in the BPCRS catalogue are not classified as nanomaterials according to the Commission Recommendation of 10 June 2022 on the definition of nanomaterial (Text with European Economic Area relevance) 2022/C 229/01.

We will inform customers immediately in case of any change related to any specific products where this leads to the fact that this statement is no longer valid.

Yours sincerely,

Stephen Young
