Installing your BP2025 update

Please note: These instructions show the example for installing BP2025, please note the year changes with each subsequent year of publication.

A Summary installation instructions

A1 To install the BP2025 update follow the instructions below. These instructions are also printed on the inside front cover of Volume I. You will need to refer to this to obtain your Product Code.

Internet access will be required to install and activate the update. Once installed, the product can be used offline.

To obtain access to BP2025 update via the download, you need to complete the following steps:

- Go to https://www.pharmacopoeia.com/download/2025/
- Enter your name, email address and company name
- Enter your Product Code
- Choose the appropriate PC or Mac download
- The installer will be downloaded
- Run the installer and the wizard will take you through the installation process
- Once complete, run the program to gain access
- A2 See below for detailed installation instructions.

B Detailed installation instructions for all PC Windows users

B1 Run the desktop installer.

B2 The installer will start and show this splash screen.

B3 On the first setup screen below, click Next.

B4 Select the button to accept the licence agreement, then click Next.
